WELCOME JAYHAWKS

We're excited to have you with us!

We hope you had a wonderful, relaxed summer and are recharged and ready to start a new school year. We are delighted to welcome our new incoming students and faculty. This is the first of the monthly newsletters that students will receive to let you know about news, upcoming events, and celebrating achievements. We will also be posting opportunities for students (internships, research experiences, full time employment, graduate school recruiting, etc.) at a link that can be accessed by the following QR codes. We want to make sure that you have quick access to information that we receive. Please check the sites often as updates are posted frequently. We are very excited about this year and helping you succeed. Rock Chalk!

Opportunities for Grad Students

It's here!

We are happy to announce our newly redesigned website. After months of hard work and dedication, we are delighted to officially announce the launch.

The new site link is: <https://cpe.ku.edu/>

We hope you find the new website with a fresh look and easy to access information. We would also like to thank our amazing staff [Martha Kehr](#) who donated her time and energy to make this site what it is. She did an awesome job!

For any questions, feedback, or comments, please email cpe@ku.edu.

SAYING HELLO & GOODBYE

Welcome new Assistant Professor Ana R.C. Morais and Lab Instructor Felipe Anaya!

Learn more about them on their website profiles:

We are excited to welcome them to our Jayhawk family!

Saying Goodbye to Assistant Professor Brandon DeKosky and Lab Instructor David Griffin

We wish **Dr. Brandon DeKosky** (left) and **Dr. David Griffin** (right) the very best as they start their next life adventures. We graciously thank them for the countless hours they spent mentoring students and being great colleagues.

ANNOUNCEMENTS

Seeking Nominations

Our department chair, Susan Williams, is seeking students to join the 2021-2022 academic year **Student Liaison Committee**. We would like to have at least two students from each class and major to serve on the committee. The committee would meet twice a semester to discuss issues affecting students and to help plan department activities including planning the end of year banquet.

If you or somebody you know would be a strong representative for your class, please submit their name on the following webform: <https://cpe.ku.edu/student-liaison-committee-nomination>
